

# ***COVID-19 UPDATE***

March 16, 2020

## **To Our Dear Patients,**

In the wake of the recent developments surrounding COVID-19 and based on the recommendations by the Royal College of Dental surgeons of Ontario, we have suspended all ELECTIVE and NON-ESSENTIAL dental treatment in our office (including hygiene services) at this time. We will however continue to provide Emergency services to our patients and the community.

This has to be done for the safety of our patients, our team and the community.

Please call our office if you are having a dental emergency at 416-418-7417 so that we can assist you.

We will be answering phone calls and checking messages through out this time.

We continue to follow diligently the standard of care for our sterilization and disinfection protocols that meet those of the Ministry of Health as well as the use of personal protective equipment.

We hope to resume servicing you for all your dental needs as soon as possible but our team's and your safety and health is our number one priority at this point.

We will keep you updated.

We thank you for your patience and understanding at this time. Stay healthy and safe.

*Yonge & St. Claire Dental Smile Centre, Drs. Marian Rizk and Babak Shokati*
